PROFESSIONAL EXPERIENCE (6 MONTHS)

2023 Dec – 2024 Feb

Advanced College of
Engineering and
Management, , Kalanki

Student Fellowship Intern

- I have worked for 10 weeks intern program with the US-based company Pahadi Research LLC at the Advanced College of Engineering and Management. During this period, I learned the zero coding concept, where coding is done through JSON.
- We also have hands-on design and database and make dynamic web layouts.

2023 Sep – 2023 Nov

kathmandu, Nepal

Junior Developer at GoldenDuck Enterprises

- There I worked for three months with a developer team. My main job is to look after the inbuilt projects of the company and perform the necessary changes in the UI or the backend side. During this, I mostly worked with JS, nodejs, react, and CSS.
