This is a web application in which people can participate in live online auction and bid.

Project Members-3

Participations

Inter House Web Development Competition 
At Durshikshya Education Network

Hex Genius HACKATHON 
Participated in Hex-2023 at Himalaya College of Engineering

Techfest IIT Bombay 
Participated in Techfest IIT Bombay 2023, in codecode competition .

Professional Experience (6 months)

2023 Dec – 2024 Feb
Advanced College of Engineering and Management, , Kalanki

Student Fellowship

- I have worked for 10 weeks intern program with the US-based company Pahadi Research LLC at the Advanced College of Engineering and Management. During this period, I learned the zero coding concept, where coding is done through JSON.
- We also have hands-on design and database and make dynamic web layouts.

2023 Sep – 2023 Nov
kathmandu, Nepal

Web Developer at GoldenDuck Enterprises Intern

- There I worked for three months with a developer team. My main job is to look after the inbuilt projects of the company and perform the necessary changes in the UI or the backend side. During this, I mostly worked with JS, nodejs, react, and CSS.
